Mary: "Alright Lucy, it is your choice."

Phil: "Well thanks for breakfast Mary, I should probably start on the fields before it gets too hot."

Mary: "Oh ok, well see you soon." *(She said talking to Phil, then turns around to Lucy and asks)* "Well we should probably start school for you shouldn't we?"

Lucy: "Ok I'm just going to finish breakfast. Then I will go get ready and get my books, can you find a nice shady tree?"

Mary: "Sure"

Lucy: "Ok, I'm ready for my hour of learning."

Mary: "Ok first Maths,  $14 \times 30 = ?$ "

Mary: "Correct" *(They continue on like this for 30 min)* "Now lets move onto English for the last half an hour"

Lucy: "Ok, the normal Friday essay?"

Mary: "Yes, you know the drill." *(Lucy nodded at this and began her essay).*

Lucy: "Is that Dad?" *(She asked just as she finished her essay half an hour later.)*

Mary: "Yes I think so, I wonder what is wrong." *(She said to Lucy)* "Are you alright?" *(She called out to Phil)*

Phil: "No, the invasion is coming, we need to hide and get to the shelter." *(He yelled out again)*

Mary: "No that cant be happening I needed to go to the store quickly."

Phil: "Well the invasion only happens for an hour or so, I think you can still get to the shops after, but for now we need to get to the shelter. AND NOW!!!!!" *He yells as he began running to the house*

*(Mary and Lucy ran down the hill and went to get some stuff to put in the shelter from their house and and ran to the shelter.)*

Director: "They all sat there in the shelter quietly and waiting for the raids to pass while they waited, Lucy wondered..."

Lucy: *Mumbles under her breath* "I wonder if our house was hit from the raids and our house was destroyed."

Mary: "What was that sweetie?" *(She said quietly as they heard a loud bang.)*

Lucy: "Nothing." *(She said nervously)*
